Hi Cathryn,

At the end of last year, Nora added comments to the “needs further review” comments. I shared that file with the team. I don’t have any other updates for the team.

Best,

Rachel

Hi Rachel,

I wanted to briefly check-in on the comments for the petition we received. I think you had shared those materials with Nora and she was helping to go through the comments received. Is there a link to the comment summary or listing that you can share?

Is there anything we’d like to share with OGC or others this week?

I plan to also reiterate that we don’t have a timeframe for our response and we plan to wait until the team completes their review of the existing materials later this year.

Thanks,
Cathryn

Hi all – let's just take a few minutes at this week's meeting and give some program updates on where we are with this petition and allow OGC to ask some questions if need be.

Thank.
